

Career Prospects

- ✔ Corporate jobs
- ✔ Teaching Profession
- ✔ Entrepreneurship
- ✔ Doctoral Degree (Ph.D.)

The Institute offers 2 years fulltime Master of Technology programmes in various disciplines. The aim of the programme is to train the students in deeper theoretical and practical knowledge which will enable them to tackle complex practical problems of design and development in industrial fields, as well as pursue further academic achievements through research. For fulfilling this aim, the programme structure provides sufficient flexibility in coursework and thesis project.

AWARDS AND SCHOLARSHIP

TEACHING ASSISTANTSHIP : Upto 100% financial aid would be provided in the form of Teaching Assistantship or in other form to the students of PG Programmes.*
